
ISSUE #024

The release for **property two** prices property three

Every dollar of debt sits on the same file the next lender reads in full.

THE GATES DON'T RESET

PROPERTY NOTES · ISSUE #024

The gates don't reset

The valuation gate and the serviceability gate don't reset once you've cleared them. Every dollar of debt sits on the same household file, and the next lender reading it sees all of it, not just the newest loan.

SIZED FOR ONE PURCHASE

PROPERTY NOTES · ISSUE #024**Sized for one purchase**

When a release is sized only for the purchase in front of it, property three inherits whatever capacity happens to be left over, not what it actually needs.

SAME POOL, BOTH PURCHASES

PROPERTY NOTES · ISSUE #024**Same pool, both purchases**

The second purchase and the third one draw on the same pool, whether or not you're planning that far ahead.
