

The CGT Reform Nobody Is Modelling Properly

Three changes in one announcement, and a math problem most coverage is skipping.

STAGE 1

Acquisition

The acquisition date matters in two different ways.

STAGE 2

Hold to 1 July 2027

Every CGT asset gets a valuation point on 1 July 2027. At sale, the taxpayer determines the asset's value at that date in one of two ways:

STAGE 3

Hold Beyond 1 July 2027

From 1 July 2027 onwards, two things change for individuals, trusts, and partnerships. Super funds (including SMSFs) and widely held trusts are excluded.

STAGE 4

The Disposal Math

At disposal post-2027, the gain is split into two portions and taxed differently.

STAGE 5

The Strategic Shift

Three things change about how a serious investor thinks under the new regime.
